PRODUCT GUIDE

THE SOIL EXPERTS.

The right mix of quality, consistency and service

Plaisted Companies has earned its reputation as a leader in the golf and athletic fields market through quality products and exceptional service. We've taken these business practices and expanded our services to contractors, nurseries and greenhouses. Today, our Elk River mining reserve offers the most complete line of sand and gravel products available in the upper Midwest. We carry more than 400 unique and innovative products, including custom engineered soils.

This brochure lists popular items within our product line. Visit our website for additional information.

Golf and Athletic Field Products

- Topdressing sands & mixes

- Pavers & stepping stones
- Retaining wall systems
- Edging, fabric & supplies
- Erosion control fabric
- Natural stone
- Outdoor fireplaces & firepits
- Outdoor kitchens

Our computerized *Accublender™* ensures consistency

In 1995 we custom built a four-bin computerized blender, the Accublender™ 4, allowing us to create a precise soil blend that can be delivered wherever it is needed. The Accublender™ 2 is a portable two-bin blender, capable of on-site blending of up to 2,500 tons of material a day.

Specialty Engineered Soils

- Rain garden and rooftop garden mixes
- CU-Structural Soil®*
- Iron-enhanced sand
- MN DOT 3877 soil mixes
- MN DOT Type 2 compost
- Equestrian/Arena footing mixes

* Plaisted is a licensed producer of CU-Structural Soil. Developed at Cornell University, this soil prevents sidewalk heaving, increases rooting volume under pavement, and increases tree longevity.

Plaisted Sands

- Dry and heated sands
- Concrete sand
- Fill sand
- Sand bagging sand
- Ice control sand
- Salt-sand and road salt
- Mason sand
- Sand for sandboxes and volleyball courts
- Iron-enhanced sand

Commercial Retaining Walls

Plaisted Companies is the sole Minnesota dealer for Stone Strong® engineered precast block. The infill design of the block provides natural drainage. The blocks interlock precisely and securely without any mechanical assistance. Available in 6 sq. ft. and 24 sq. ft. Plaisted also manufactures bin blocks.

Mason Tools and Supplies

Our Landscape Supply Store carries a full line of professional-grade masonry tools and diamond blades.

- Brands include: Crick, Havilia, Jackson, Kraft, Marshalltown, Rose, Smith and Wagman Tools.
- Other items we carry include: Proline colorants and releases for stamped concrete, concrete sealers, basement concrete block, bagged cement and mason sand.

Responsive and Reliable Delivery

Plaisted's experienced drivers operate a fleet of more than 40 trucks — capable of delivering one ton to 25 tons per load. Our GPS locator helps us set the standard for the most responsive delivery system in the 5-state area.
